Re: American Recovery and Reinvestment Act (ARRA) of 2009

Attached is the Wichita Area Metropolitan Planning Organization's (WAMPO) certification for highway infrastructure projects under the ARRA.

Pursuant to Title XV, Subtitle A, Section 1511 of the ARRA (Pub. L. 111-5, Feb. 17, 2009) I hereby certify that the attached list of infrastructure investments funded with sub-allocated ARRA appropriations have received the full review and vetting required by law and that such investments are appropriate uses of taxpayer dollars.

I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost and the amount of ARRA to be used) is provided in the Kansas Statewide Transportation Improvement Program (<http://www.ksdot.org>) through reference of the WAMPO Transportation Improvement Program (<http://www.wampoks.org/Publications/TIP.htm>).

To aid with transparency and accountability this Section 1511 certification is posted on the WAMPO website. (<http://www.wampoks.org/The+American+Recovery+and+Reinvestment+Act.htm>). Subsequent certifications will be posted on our website in a continuing effort for full disclosure.

Sincerely,

Jeff Longwell  
Chairperson
