

Metropolitan Transportation Plan (MTP) 2035 Project Application

Sponsor Information

Project Sponsor / Agency: *City of Wichita*

Project Information

Project Location: East of I-135
 To: McAdams Park
 From: Grove Park
 Project Description: Construct a recreational/multi-use path connecting McAdams Park with Grove Park. Also connects to the Canal Hike and Bike Trail.
 Project Purpose: Construct a 2.5 mile recreational/multi-use path that connects two parks together.
 Main Project Type: Bicycle/Pedestrian
 Other Project Types Included: No

If yes to the previous question, what other project type are included?

Road:	Rail:	Bicycle / Pedestrian:
Bridge:	Intersection:	Railroad Crossing:
Transit:	Interchange:	Travel Demand / System Management:

If project occurs on a roadway what is the facility type? N/A

Anticipated Year to Start Construction: 2010 - 2019

Is the project listed in any WAMPO or other regional plans? Yes

If yes, list the name of plan(s) and page number: WAMPO Regional Pathway Systems Plan - Page 49

Project Cost Information

Engineering Cost:	\$10,000.00	Annual Operating and Maintenance Cost:	\$8,000.00
Right of Way Cost:	\$50,000.00	Dedicated Funding:	Yes
Construction Cost:	\$1,640,000.00	If yes, please provide source and amount:	Energy Efficiency and Conservation Block Grant - \$1,598,573.64
Total Project Cost:	\$1,700,000.00		

Metropolitan Transportation Plan (MTP) 2035 Project Application

Measures of Effectiveness Information

All projects types were asked to completed MOEs #1 - #4. MOE #5 is for Road and Bridge; MOE #6 is for Bike / Ped; and MOE #7 is for Travel Demand / Systems Manage

1) Does the project contribute to the overall improvement of the regional transportation system Yes

If yes, please explain: Regional link between two parks.

2) Does the project have a positive effect on air quality? Yes

If yes, please explain: Encourages non-CO2 traffic mode.

3) Does the project include facilities for, accommodate, or connect more than one mode of transportation? No

If yes, please explain:

4) Does the project address or help address a safety concern? Yes

If yes, please explain: Provides off-street path for bike and pedestrian use.

5) Does the project address a regional issue that is addressed in a WAMPO plan?

If yes, please explain:

6) Is the project on a route identified in the WAMPO Regional Pathway System Plan (RPSP) and identified as a priority missing link? Does the project connect existing pathways? Yes

If yes, please explain: Corridor L, Page 49.

7) Does the project address congestion and is identified in the WAMPO Congestion Management Process (CMP) and/or Intelligent Transportation Systems Regional Architecture (ITS-RA)?

If yes, please explain:
