

Metropolitan Transportation Plan (MTP) 2035 Project Application

Sponsor Information

Project Sponsor / Agency: *Sedgwick County Public Works*

Project Information

Project Location: Pathway on Oliver from 47th St. South to Patriot Ave.

To: Patriot Avenue

From: 47th St. South

Project Description: Construct a bike/pedestrian path along Oliver (side path)

Project Purpose: Construct missing link in existing path system.

Main Project Type: Bicycle/Pedestrian

Other Project Types Included: No

If yes to the previous question, what other project type are included?

Road:

Rail:

Bicycle / Pedestrian:

Bridge:

Intersection:

Railroad Crossing:

Transit:

Interchange:

Travel Demand / System Management:

If project occurs on a roadway what is the facility type?

Anticipated Year to Start Construction: 2010 - 2019

Is the project listed in any WAMPO or other regional plans? Yes

If yes, list the name of plan(s) and page number: WAMPO Regional Pathway System Plan

Project Cost Information

Engineering Cost: \$140,000.00

Annual Operating and Maintenance Cost:

\$10,000.00

Right of Way Cost: \$50,000.00

Dedicated Funding:

No

Construction Cost: \$700,000.00

If yes, please provide source and amount:

Total Project Cost: \$890,000.00

Metropolitan Transportation Plan (MTP) 2035 Project Application

Measures of Effectiveness Information

All projects types were asked to completed MOEs #1 - #4. MOE #5 is for Road and Bridge; MOE #6 is for Bike / Ped; and MOE #7 is for Travel Demand / Systems Manage

1) Does the project contribute to the overall improvement of the regional transportation system? Yes

If yes, please explain: The project completes a missing link in the regional pathway system.

2) Does the project have a positive effect on air quality? Yes

If yes, please explain: Increased usage of the pathway system reduces the use of motor vehicles and improves air quality.

3) Does the project include facilities for, accommodate, or connect more than one mode of transportation? No

If yes, please explain:

4) Does the project address or help address a safety concern? Yes

If yes, please explain: Improves bike/pedestrian safety in the road corridor.

5) Does the project address a regional issue that is addressed in a WAMPO plan?

If yes, please explain:

6) Is the project on a route identified in the WAMPO Regional Pathway System Plan (RPSP) and identified as a priority missing link? Does the project connect existing pathways? Yes

If yes, please explain: The project is identified in the WAMPO Regional Pathway System Plan as a priority missing link and connects pathways in Derby to pathways in the McConnell/Boeing/Spirit industrial complex.

7) Does the project address congestion and is identified in the WAMPO Congestion Management Process (CMP) and/or Intelligent Transportation Systems Regional Architecture (ITS-RA)?

If yes, please explain:
