Metropolitan Transportation Plan Project Advisory Committee (MTP-PAC) voting and non-voting members, WAMPO staff, and others present agree to honor these tenets as we work together for the best interests of the WAMPO region and the development of the Metropolitan Transportation Plan (MTP) 2035.

1. All electronic devices, including phones, blackberries, and other items, will be turned off before the meeting begins.
2. We will communicate with respect and courtesy in all our interactions, even at those times in which we may disagree.
3. We will listen to what others have to say without interruption and premature judgment.
4. We will welcome and respect different perspectives and opinions, and work to “see the world” from other points of view.
5. Each of us is prepared to dialogue with others and accept compromise in finding solutions and making decisions in the best interests of the WAMPO region and the development of the MTP 2035.
6. Our efforts will be toward finding common ground, and making decisions in a timely manner based on the decision schedule presented by staff.
7. As we progress towards adoption of the MTP 2035, we will not focus on who gets credit for accomplishments or who gets blame if our efforts fall short.
8. We will respect the personal space of others.
9. We will give our time, talents, and resources toward the betterment of the WAMPO region as much as possible within our means and abilities.
10. Meetings will start and stop at the designated time in order to respect all members and staffs additional obligations.
